

This top section (indicated by the margin) will become the front of the top pole pocket and should only be used as a quiet area (background colours/images). Any important content (text/logos) should be kept below the margin.

SIDE 1

This template is setup at 20% scale of full size.

Artwork should be supplied:

- With fonts outlined
- As PDF (preferred), AI or EPS

If you are having different designs for each side, please provide each design on its own page.

If you are having the same design on both sides, please supply your design on SIDE 1 only.

Please make full use of the bleed area and include this along with crop marks when exporting your print-ready file(s).

This bottom section (indicated by the margin) will become the front of the bottom pole pocket and should only be used as a quiet area (background colours/images). Any important content (text/logos) should be kept above the margin.

SIDE 2

This top section (indicated by the margin) will become the front of the top pole pocket and should only be used as a quiet area (background colours/images). Any important content (text/logos) should be kept below the margin.

This template is setup at 20% scale of full size.
