Selected from Childerley block Shiraz in 2015, shiraz came in early in 2015 in Mid-march, it was then crushed and fermented in open topped stainless steel tanks for 8 days. The wine has dense red colour with a purple tinge. The nose shows rich blackberry and black plum fruit with just a touch of pepper and subtle vanillin oak notes. The palate is rich and warm with round soft mouthfeel, generous fruit and fine tannins on the finish. Drinking well now but will improve with further careful cellaring.
