

POINT TWO SERVICE

We recommend you have your vest serviced yearly, after six inflations, after a particularly heavy fall, or if you see any damage to the vest. We recommend you send your vest (along with its lanyard) with tracking and without a canister unless otherwise advised.

We aim to turn your vest around within 3-4 business days, so that you are not without it for very long.

Our extensive vest service includes the following:

- ✓ Replace the airbag with a brand new one, regardless of condition.
- ✓ Trigger tested and all components inspected and replaced, if necessary.
- ✓ Shell professionally cleaned.
- ✓ CO² canisters offered at 50% off when purchased with service.

We also offer a color swap and service for ProAir vests for \$200 (plus \$40 shipping for Canadian orders). See below for color options.

Complete the form below and return it with your Point Two Air Vest to:

Point Two Air Vests
11420 Fortune Circle, Suite 12

NOTE: Please DO NOT return air vests with canisters. Mail services reserve the right to destroy parcels containing gas canisters.
