Any warranty of Union Wood Company, whether express or implied, covers only normal usage of its products in accordance with any product specifications and care instructions provided to the customer by Union Wood Company upon purchase. No warranty, express or implied, applies to any condition of any product resulting from accident, acts of third persons, environmental conditions, misuse, abuse, delivery or transportation damage, nor any condition resulting from modifications or alterations by any person, incorrect or inadequate maintenance, cleaning or care, or damages or defects caused by use of chemical treatments, cleaning products or protective coatings applied to the product. **SIZE AND DIMENSION VARIABILITY**

The sizes and dimensions of Union Wood Company's designs may vary from the actual sizes and dimensions of delivered products, due to expansion and contraction of wood products, the inherent nature of the materials, and the handmade nature of Union Wood Company products. The customer assumes all risk regarding determination of a product's correct size and dimension. In no event shall a mistake in size or dimension of the product, due to customer error, result in invalidation of any order or require any refund to the customer.

**APPEARANCE VARIABILITY**

Customer acknowledges that the appearance of the wood used to build a particular product may vary from the wood used in any samples, due to natural characteristics of wood and the craftsmanship used to create each individual product. Therefore, no representation, warranty and/or guarantee is made with respect to the exact color, lustre or appearance of finishes of any product.

The customer also acknowledges that wood used in Union Wood Company products may contain mineral deposits, pits, gum streaks, small pin holes, knots, checks, cracks, color differences, unusual grain patterns, darker heart wood, lighter sap wood, etc. The frequency of such features will depend upon the material specified and will vary in all handmade and machined pieces. No two products produced by Union Wood Company are exact duplicates, and therefore Union Wood Company makes no representation or guarantee that products will appear exactly as any another.
