

Stress

by ChiroNutraceutical

Stress, by ChiroNutraceutical, is designed to help reduce the negative effect of ongoing daily stress by increasing the body's stress resiliency.

It is a unique non-GMO, cGMP formulation that contains 13 all-natural, science-backed, and targeted vitamins and herbs and is made in the USA.

This formulation is recommended for individuals who:

- Experience any form of stress 2 days per week or more.
- Experience feelings of nervousness, anxiety, worry, or dread.
- Feel like they are always rushing around or do not have the “downtime” that they would like.
- Are on electronics or exposed to blue light a large part of the day.

While Stress contains 13 ingredients, key ingredients include but are not limited to:

Adaptogenic herbs Astragalus and Eleutherococcus are included because of their research-backed ability to help:

- Improve stress response adaptability by assisting in improving the body's ability to respond to and tolerate stress
- Enhance the body's immune response
- Help fortify and balance the endocrine system.

Suma Root is included due to its science-backed ability to:

- Function as a natural stress reducer
- Help lower blood pressure, lower, and stabilize blood sugar, and lower stress-related elevated cholesterol.
- Helps reduce systemic inflammation.

Suggested Use: 1 capsule 1 times daily preferably with meals or as directed by a healthcare professional.
