

Single Press Wheel **Instruction Manual**

Parts Included

1 x Single Press Wheel Includes:

1 x Wheel

1 x Main Frame

1 x Axle

2 x M12 50 x 80 U-Bolt

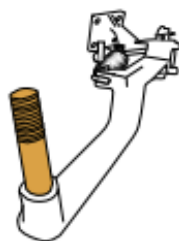

1 x M24 Nyloc Nut

4 x M12 Nyloc Nut

2 x Spacer

Step 1:

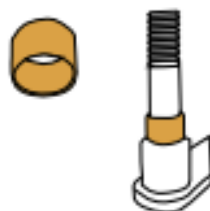

Put the axle through the hole and lay the main frame down.

Step 2:

Take one bushing and place it over the axle.

*Tip: You can put anti seize inside the spacer to prevent it from rusting onto the axle.

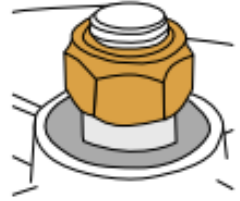

Step 3:

Place the wheel onto the axle and then put the remaining spacer on.

Step 4:

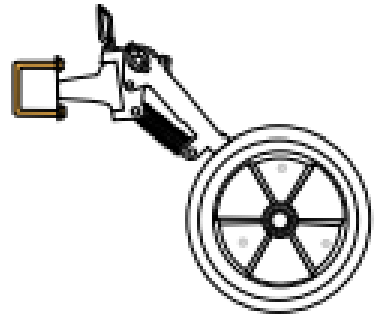

Fasten on the M24 nyloc nut and tighten.

Do Not Over Tighten.

Step 5:

Bolt your single press wheel to your bar using the U-bolts provided

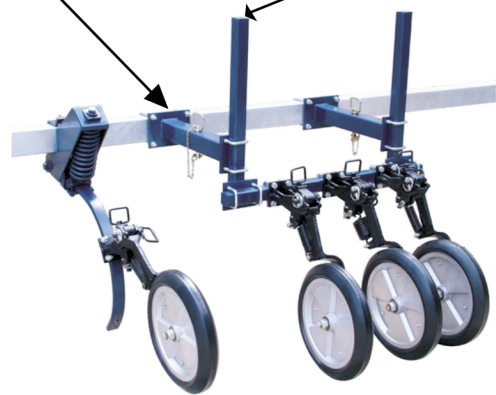

We recommend
1 x vertical/extension bar
set per 5 press wheels

*Recommendation
only. Some seeding
bars require different
configurations.
