Ring Sizing Guide

IMPORTANT PRINTER SETTINGS

When printing this page, please make sure the scaling has not been altered. Select 100% scale in the print dialog box to keep scaling as is. To check accurate scaling, measure the lines below and ensure they measure 1 in and 30 mm, respectively.

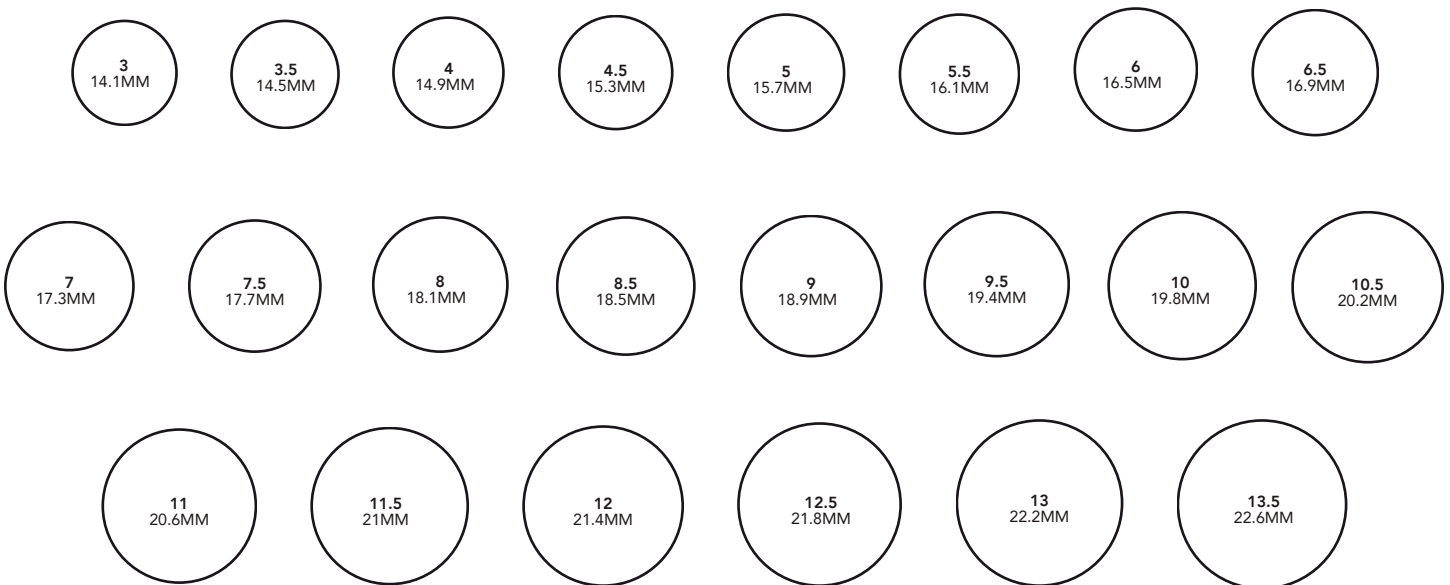

MEASURE AN EXISTING RING

Select a ring that fits well on the finger you are purchasing for. Then, lay the ring down on the circles below, matching up the inside edge of the ring. If it falls between two sizes, select the larger size.
