WINE PARTIES & EVENTS

As well as offering private tastings and wine gurus to help kick start your office Christmas party, we're also in the business of curating your New Zealand wine selection for parties and events.

We'll be happy to appease all your New Zealand wine needs and happy to provide corporate rates and discounts.

We can host tastings at our Brixton Store, starting from £45pp (up to 12 people, 5-6 wines)

Or, we are well traveled too, and happy to host your Christmas office party or to kick off an event or dinner party at home.
