Dear Marine Corps Hobbyist,

Congratulations, and welcome aboard as an official United States Marine Corps Hobbyist. You are now authorized to produce USMC trademarks on approved products in accordance with your license agreement and attached Hobbyist design guidelines.

Subject to due process, the United States Marine Corps may suspend this approval by written notice or cause to remove unapproved items from the marketplace if your products cease to comply with the standards stated in the Hobbyist license agreement and/or fail to meet design guidelines.

Please be advised under the USMC Hobbyist Licensing Program you must renew your agreement annually within the calendar quarter your agreement was initially finalized. To renew your Hobbyist agreement, please complete the Hobbyist Agreement template available for download via www.marines.mil/trademark along with your annual Licensing Fee.

According to your agreement you must display your assigned Hobbyist Number in a prominent area so the Trademark Licensing Office can identify you as an approved vendor. This number can be found just above your signature within the final agreement.

We are hopeful of achieving a successful business relationship with you in which we can provide quality Marine Corps products to our patriotic patrons. Should you have any questions or concerns over the course of the year please feel free to contact us at trademark_licensing@usmc.mil

Ooh-Rah!

Sincerely,

A handwritten signature in black ink that reads "Jessica O'Haver".
