

About The Team

Nate's Custom Baits - NCB Lure Company is one of the fastest growing online exclusive brands within the fishing industry. This could not be accomplished without the help of promotional staff brand ambassadors who display a strong desire to help both their personal brand as well as the NCB brand grow. We are primarily interested in supporting those who are passionate about fishing and are **unashamed to show this passion to the world**. Today, this is best accomplished through social media platforms such as Facebook, Youtube and Instagram. If you would like to be a part of our team please fill out the pro staff application and submit it to prostaff@natescustombaits.com. We will review your application and, if approved, will send you a follow up offer upon which you can choose to accept. Below are a few of the primary attributes we are looking for:

- A **positive** online presence within the fishing community.
- Social media content that is kept up to date with high quality, clear pictures and video.
- Previous use and knowledge of NCB lures. We want team members who **genuinely** find our products valuable and use them often!
- A **desire** to help grow the NCB brand and, in doing so, grow your personal brand.
- Willing to demonstrate the value of our products to friends and family who share a like minded passion for fishing.
