BROCHURE

FLAVOUR BLASTER

MINI KIT

Compact, colourful and easy to use, the new Flavour Blaster Mini Cocktail Kit includes all the equipment and ingredients you'll need for making bubbles, fragrant mist and vapour clouds at home.

AROMA

Delicious aromatic scents for your Flavour Blaster Cocktail Kit, each in a 10ml bottle designed to compliment the flavours of your drink recipes.

(Each bottle makes approximately 250 bubbles)

Each flavour should be used with a dedicated Coil to maintain aroma quality.

set of 2

A close-up photograph of two hands holding clear glass lids over two glasses of whisky. The glasses are filled with a golden liquid and have a thick layer of white steam rising from them. The background is a blurred bar setting with warm, golden lighting. The overall mood is sophisticated and elegant.
