

Company Overview

Exquisite Marketing Australia Pty. Ltd. was established in 2004 as an importer and distributor of commercial refrigeration products. At Exquisite Marketing Australia we have a strong team environment and provide all our clients with a reliable and highly valued service.

Since the start of our business, our company has grown each year, thanks to support from our customers for our quality products and services. We now have a commercial refrigeration range that fit whole commercial kitchen needs, display refrigeration for your store, medical refrigeration range as well as other refrigeration product.

Our objective is to provide our clients with high quality equipment that performs exceptionally well in diverse climate supported by reliable service network throughout the region. Exquisite Marketing Australia pride ourselves on providing trustworthy service, delivered by our dedicated staff who have the experiences and skills to advise you on all your refrigeration requirements.

Product Overview

Exquisite Australia Vaccine refrigeration range has been specifically selected to suit Australian vaccine needs. Over the last few years we have listened to all requests and delivered on what was deemed necessary to assist in making your Pharmacy or Clinic run with ease.

Key Features

Remote Alarm port for external alarm warning

Automatic defrost for easy maintenance

Dynamic cooling system with digital controller for precise measurement of the internal temperature

NEW Controller with digital display and USB port for data collection

Double glazed glass door with door alarm

Product temperature probe for more accurate temperature record

Comply with all QCPP standards

Medical Refrigeration

MV30

MV60

Features:

- Double glazed glass door
- White External and Interior Finish
- Leveling adjustable feet
- Climate rating: N
- QCPP approved
- Internal LED light
- Digital controller with digital temperature display and USB port for data collection
- Dynamic fan forced cooling system with automatic defrosting
- Battery backup controller

Model	MV30	MV60
Gross/Net volume (L)	30/29	62/59
Exterior dimensions in mm	445w x 485d x 535h	445w x 485d x 725h
Energy consumption in 24h	0.8 kWh	0.8 kWh
Temperature range	+2°C to +8°C	+2°C to +8°C
Number of adjustable shelves	2	3
Shelf material	white plastic coated steel	white plastic coated steel
Refrigerant	R134a	R134a
Gross/net weight	29/27 kg	33/31 kg
Frequency/voltage	50 Hz/220-240 V	50 Hz/220-240 V
Max. noise level	50	50

Medical Refrigeration

MV150

MV300

MV400

Features:

- Double glazed glass door
- White External and Interior Finish
- Leveling adjustable feet
- Climate rating: N
- QCPP approved
- Internal LED light
- Digital controller with digital temperature display and USB port for data collection
- Dynamic fan forced cooling system with automatic defrosting
- Battery backup controller

Model	MV150	MV300	MV400
Gross/Net volume (L)	148/145	308/300	408/400
Exterior dimensions in mm	595w x 595d x 820h	595w x 650d x 1500h	595w x 695d x 1845h
Energy consumption in 24h	1.35 kWh	2.9 kWh	3.1 kWh
Temperature range	+2°C to +8°C	+2°C to +8°C	+2°C to +8°C
Number of adjustable shelves	3	5	5
Shelf material	white plastic coated steel	white plastic coated steel	white plastic coated steel
Refrigerant	R134a	R134a	R134a
Gross/net weight	45/42 kg	78/72 kg	92/84 kg
Frequency/voltage	50 Hz/220-240 V	50 Hz/220-240 V	50 Hz/220-240 V
Max. noise level	50	55	65
