BV1300 W VS

Double Glass Door Chiller

ENHANCED ENERGY EFFICIENCY
& VERSATILITY

*Black Internals supplied as standard

PRODUCT BENEFITS

- ergonomic design for easy product access
- adjustable shelving
- Visual impact from energy efficient leD lighting
- low total energy Consumption to save on total energy costs
- ensured product temperature compliance tested (GeMs/ eei)
- high quality cabinet construction
- small footprint with maximised display area
- environmentally sustainable using natural, low GWP refrigerant

STANDARD FEATURES

- leD lighting
- Digital controller display fitted
- 5 display levels plus base
- Powder coated galvanized steel construction - self-contained, plug and play installation
- Ventilated condenser
- lockable castors
- automatic condensate removal
- Maximum operating temperature 40°C
- bottom mounted refrigeration system
- Colour: black internal, black external
- refrigerant: r290
- Cord length 2100mm
- electrical 220-240V 10a

FRAMELESS GLASS DOOR

- self-closing, hinged swing door
- Double glazed, low-e, argon filled
- toughened safety glass

CUSTOMISATIONS

INTEGRATED TECHNOLOGY SOLUTIONS

- Video rails
- electronic shelf labels
- iot sensor integration

SHELVING & BASE SHELF

- reinforced shelving to suit varied product weight

OTHER

- Custom decals available
- additional colours available - factory option
- adjustable feet optional
