# A Christmas gift that won't cost the Earth

By AG STAFF • November 29, 2022

For a very considered Christmas, these products from [good.eco](#) have gifting all wrapped up.

Christmas can be a joyous time of year – a time to celebrate the year that was with your nearest and dearest. But from the bauble-laden trees to the garlands of sparkly tinsel, it can also be notoriously punishing on the environment.

Australian company, [good.eco](#) is all about turning that around – it's a one-stop-shop for sustainable and healthy products. From clothes and shoes to homewares and summer essentials like sunglasses and sunscreen, it has sourced the most environmentally healthy range so you can fill your stockings with gifts that are great for the planet.

Here are 10 top gifts from [good.eco](#) that your family and friends, and the planet, will thank you for. As a special offer, Australian Geographic readers can receive a 10 per cent discount on any purchases before Christmas.

## 1. Koala Eco

Made with Australian essential oils and packaged in recycled bottles, [Koala Eco](#) produces a range of home, cleaning and hand and body products.

Developing and maintaining a connection with nature is something [Koala Eco](#) is passionate about says co-founder Jessica Bragdon. "As a purpose-led brand inspired by and centred around the natural world, a core part of our mission is to aid our community in connecting with and experiencing nature. A connection with nature enhances mental, physical, and emotional wellbeing."
