## Thirteen Luxury Products To Elevate The Scent in Your Space

When looking to elevate the interior of your home, it's worth making the little things count. Aside from buying new furniture or sprucing up your decor, there's an assortment of sprays, soaps, and scents that will add that extra air of luxury to your home.

Whether it's luxurious hand soaps, sumptuous spray cleaners or a fine scented candle, here's a look at some of the finest accessories to bring a touch of opulence to your home.

### Koala Eco Natural Hand Wash

Ensure clean hands and a clean conscience with this biodegradable, eco-friendly hand wash made with Australian essential oils. Koala Eco uses a plant-based formula without toxic chemicals and leaves a fresh lemon, eucalyptus and rosemary aroma.
