BEST CLEANING TOOLS FOR YOUR KITCHEN

[Koala Eco All Natural Lemon Myrtle and Mandarin Multi-Purpose Kitchen Cleaner, Amazon Australia, \\$11.65](#)

This natural all-purpose cleaner works for anything and everything.

If there's one thing you need in your kitchen – apart from a sponge of course – it's a multipurpose cleaning agent. These ones from Koala Eco are super popular as they offer a natural alternative to common cleaning products filled with chemicals.

This is made from 100 per cent pure lemon myrtle and mandarin essential oils, which, despite being natural, is incredibly powerful for cleaning. You can use it on refrigerators, dishwashers, microwaves, benches and more. Unlike many pungent cleaning sprays, Best Of's editor Edwina Carr Barraclough attests this product makes your kitchen smell delicious.
