Monday 19th April 2021

Let's face it, mums are a generally awesome bunch. They put up with us when we're at our worst, cheer us on when we're at our best, support us unconditionally, and, well, basically make the world go round.

With that in mind, our goal is to make Sunday May 9, 2021 the best Mother's Day ever starting with the perfect gift!

Skip the frantic late night shopping trips with our curated *Mother's Day Must Haves* online shopping event, featuring four amazing local brands. Each brand is offering an exclusive discount too, so it's a win-win for both you and mum!

Read on for a closer look at the brands involved and their individual discount offers. The shopping starts now!

Thames & Hudson

We've said it before and we'll say it again, a [Thames & Hudson](#) book is the perfect present for every age, gender and occasion.

One favourite title among the publisher's new releases is [A Room Of Her Own](#), featuring stunning homes from around the world (check out an excerpt [here!](#)).

Other standout design titles include [The Garden State](#) showcasing Victoria's best private gardens, and [Pre-Fab Living](#) that documents innovative factory-made homes.

As major Ken Done fans, we're also loving this comprehensive and extensively-illustrated monograph of the iconic artist, [Art Design Life](#).

There's literally over 13,000 (!) titles on offer – truly something for every mum to enjoy!

The offer:

30% off site-wide when you enter discount code TDF30 at the Thames & Hudson online store checkout. Valid until Wednesday May 5th, 2021. Purchase by Monday 3rd May 2021 for guaranteed delivery before Mother's Day to Australian addresses. Discount code available to Australian and New Zealand addresses only, excluding PO boxes.

Fenton & Fenton

If The Design Files were a shop, it would probably look something like [Fenton & Fenton](#) – colourful, vibrant, and brimming with talented Australian artists and makers!

For Mother's Day we can't go past their homewares section, which stocks incredible pieces including those by our regular collaborator, glass artist [Amanda Dziejdzic](#). There's also stunning [cushions](#), [bookends](#), [vases](#), [display trays](#), and [perfume](#), so it's easy to pick a winner.

The offer:

10% off site wide when you use the discount code TDF10 at the Fenton & Fenton online store checkout (excludes art, vintage and sale). Valid until 11:59pm on Sunday 25th April, 2021.

Koala Eco

We've been using [Koala Eco](#) products at The Design Files forever, due to their sustainable credentials, beautiful scents, gorgeous packaging, and the fact that they actually work! (Their super gentle yet super effective [Natural Hand Sanitiser](#) has been a godsend since returning to the office!)

In our opinion, every Australian home needs their beautifully gentle yet effective [Natural Dish Soap](#) and [Natural Hand Wash](#) on hand – literally! Stocking your kitchen, bathroom and laundry with these divine-smelling, all-natural products really does inject a little moment of luxe, into your everyday.

Koala Eco products contain no harmful chemicals or synthetic fragrances, leaving nothing but the glorious scent of natural essential oils behind. Their packaging is also 100% recycled. With 25% off – the time to stock up (whether for you or mum!) is now!

The offer:

25% off when you enter the code TDF25 at checkout. Offer excludes already discounted or bundled items. One code use per customer. Valid until Monday 3rd May, 2021.

Country Road

And of course, it just wouldn't be a significant gift-giving occasion with a little [Country Road](#), now would it!? Rest assured, the iconic Aussie brand are back with another exclusive The Design Files discount, just in time for Mother's Day.

If your mum deserves some me-time, we're loving CR's lush [silk pillowcase](#), [pure cotton robes](#), or cosy [Australian shearing slides](#).

Of course, there's also plenty of classic fashion pieces and accessories on offer, including these stylish [leather sneakers](#), heritage logo sweats, and of course, the brand's famous and fail-safe [homewares](#).
