

Koala Eco – all natural eco-friendly cleaning products

The combination of high concentrates of pure Australian essential oils with quality plant-derived biodegradable ingredients results in products that work as well, if not better, than chemical cleaners. Koala Eco products won't harm you or the planet and are never tested on animals.

You can depend on Koala Eco's powerful yet completely non-toxic formulas to clean and sanitise hard surfaces, furniture and appliances throughout your home.

The all-natural products include:

- Multi-Purpose Kitchen Cleaner
- Glass Cleaner
- Dish Soap
- Multi-Purpose Bathroom Cleaner
- Stainless Steel & Chrome Cleaner
