FORAGE FOR ALL LIVESTOCK

Specially Made with a Blend of Grass and Alfalfa Hay

Livestock Solutions is a high fiber balanced blend of sun-cured timothy, alfalfa, and orchard grass hay with added cane molasses and soybean oil to enhance flavor, decrease dust and add calories. Livestock Solutions can replace all or part of your animal's hay ration. It is easy to feed with less waste than long stem forages. Livestock Solutions should be fed in conjunction with vitamins and minerals required for your animal.

FEATURES AND BENEFITS

- Fiber Supplement and Hay Replacement
- Short Chopped Forage for Easier Chewing which Supports Digestibility
- Can be Fed Dry or Wet
- Convenient and Easy to Use
- Contains Molasses

GUARANTEE

Forage Solutions LLC appreciates your business. If for any reason you are not satisfied with the quality of this product, please return it to your Retailer for replacement or a full refund.
