OUR BEDS

We believe that you should be as comfy sitting, reading, drinking tea or having breakfast in your bed as you would be sleeping in it.

So that's why we've created what we believe is the most comfortable bed frame to be found. Made by the same skilled teams who make our sofas and chairs, our beds are made of natural materials, sustainably sourced. You'll fall in love with the wonderful colours and fabrics that make our beds such a statement in any room.

Available in five sizes, with the possibility to buy headboard only, or full frame with or without a footer. We now also offer beautiful valances in all of our fabrics to match our headboards as well. All of our beds, headboards and valances come with removable covers in either Song or Marnie styles so it's easy to update and change the look.

We have long been on the search for the perfect mattress to accompany our natural, beautifully handmade beds, but we could not find one, so we have made them ourselves. It's taken us 2 years of development...but my goodness it was worth it. We've created the most extraordinarily comfortable, natural mattresses and mattress toppers.
