OUR MARNIE RANGE

When it came to naming a new range that so visually represents joy, we had no doubt in our minds that we must call it Marnie.

Part of the family long before any comfortable sofa was ever conceived, Marnie jumps happily into all of our furniture, and we hope to instil that energy in this unique range. Inside, you'll find the same wonderful, natural comfort that we put into all of our furniture with cleaner lines and a bit more definition.

Marnie's Piped Edge helps to exaggerate, highlighting the beauty of the pillow shape. We love how little pops of colour on the edges can completely change the look. Feel free to choose piped colours that match, colours that complement, or colours that contrast or even clash; it's really up to you. We'll always share our favourites, but with our Marnie range, we are really looking forward to seeing endless combinations.

Don't forget that our Marnie and Song covers are completely interchangeable, so hold on to the Song covers if you already have them. Now you have at least four ways to dress the same base cushions. When you add contrasting colours to the piping, the options are not quite infinite but we decided to leave that door open, and not to associate a number with happiness.
