OUR OTTER RANGE

Otter's Box Edge style provides for a more traditional look with clean lines and simple symmetry, while the Soft Edge covers offer a calm and contemporary look.

A contemporary, formal look is the foundation of our Otter range. Featuring a different construction to both Song and Marnie, the cushions are made with a border or sidewall to provide support and shape that give a more boxy appearance. Both the Box Edge and Soft Edge styles are filled absolutely full of all the same natural comfort to be found in every one of our pieces.

You may have noticed that we like to name our furniture as a nod to those we love, and Otter is no exception. Alex's middle son Otter – or Otti to us – doesn't love all the fanfare at age 16, but if the range grows as fast as him, we won't be able to keep up!
