

A woman with blonde hair is lying on a white sofa in a modern living room. She is wearing a green jacket and white pants. The room features a light green wall, a large wooden pendant light, and a window with a view of trees. There are framed artworks and wooden side tables in the room.

## OUR SONG RANGE

---

Our original and much-loved Song range features our classic Pillow Edge, providing a laid-back look ready for jumping onto or sinking into.

The furniture industry may call it an 'Oxford' border, but we've always felt that 'pillow' just suits the look better since it's unmistakably the same feeling as getting into bed in your living room. Now, we've added a Short Pillow Edge to the range – paring back to just under 2cm – allowing a slightly more tucked-up look.

Both the Pillow and Short Pillow Edges are styles that are uniquely Song and the look that launched a thousand jumps. Thanks to our easily removable and washable base and cushion covers, you can completely change the look and feel of your room with a simple change of cover. It's worth remembering that our Song and Marnie covers are completely interchangeable, so there is no need to swap out cushions if you decide you absolutely must have piped edges for one or all of your Song pieces.
