

Functional Botanicals

Private Labeling Fee Schedule

There is a standard set up cost starting at \$300 for prepress with an additional fee per item.
Pricing schedule is an estimate. Final cost will be submitted in the estimate and finalized in a contract.

Shipping is paid by the client and will be billed before goods are shipped.

Client provides artwork. Specification and artwork guidelines will be given to the client.

Customized formulation is available starting at \$500.

Client may provide essential oil formula with approval and cost will be deducted from unit cost

PLEASE NOTE PLUS SOAP FORMULAS WILL BE A HIGHER COST THEN STANDARD FORMULAS
