

# private labeling

Offer your guests a superior welcome or treatment experience with Functional Botanicals private labeling service.

Select a custom oil blend and embossed logo for private label to promote your brand and business.

Private label wipes start as a pressed dry tablet of renewable bamboo fabric. Add less than 1 ounce of water and the tablet opens to an 8-by-11-inch durable cleansing towelette. Unlike other wipes, yours start out dry, allowing them to be lightweight, compact, and free of all chemical preservatives.

Perfect for hospitality, spa services, recreation, fitness and banquets.
