

live fresh, play fresh

Essential Wipes start as a pressed **dry tablet** of renewable bamboo fabric. Add less than 1 ounce of water and the tablet opens to an 8-by-11-inch durable cleansing towelette. Unlike other wipes, Essential Wipes start out dry, allowing them to be lightweight, compact, and **free of all chemical** preservatives.

Our bamboo dry wipes are infused with a therapeutic-grade, **five-blend essential oil infusion** to refresh and uplift your senses while nourishing your skin. Safe to use from head to toe.
