Luna Wipes start as a pressed **dry tablet** of renewable bamboo fabric. Add less than 1 ounce of water and the tablet opens to an 8-by-11-inch durable cleansing towelette. Unlike other wipes, Luna Wipes start out dry, allowing them to be lightweight, compact, and **free of all chemical** preservatives.

Luna Wipes are infused with moisturizing argan oil and a therapeutic **essential oil infusion**. Enjoy this botanical cleansing experience to moisturize the skin or remove make up. Safe to use from head to toe.
