

Step 1: Place your order for Labeled Cans from the website [oktoberdesign.com](http://oktoberdesign.com)

Step 2: Create your label artwork

- \*Label artwork dimensions need to be exact dimensions with a 1/8in bleed. **(Extend artwork background beyond label size)**
- \*File needs to be sent as PDF, PSD, or AI file, at 300dpi. Set To CMYK Color Space.
- \*Make sure all linked images are embedded and fonts are outlined.

Step 3: Email final artwork to [Dylan@oktoberdesign.com](mailto:Dylan@oktoberdesign.com) (reference your order number in the email).

Refer to Dylan for questions, etc.

Lead time for labeled cans is up to 3 weeks.
