.13 BLEED (ALL SIDES)

3.625

8oz
SLEEK

Step 1: Place your order for Labeled Cans directly from the website oktoberdesign.com

Step 2: Create your label artwork
   *Label artwork dimensions need to be exact dimensions with a 1/8in bleed (Extend artwork background beyond label size).
   *File needs to be sent as PDF, PSD, or AI file, at 300dpi.
   *its best to keep any text at least 1/8in inside the final cut label's edges.

Step 3: Email final artwork to labels@oktoberdesign.com (reference your order number in the email).

Please refer any other label questions to labels@oktoberdesign.com.
