 **JOVANI RUPESTRE** ✦

Gurada Superior Rserve Extra Brut Organic

Jovani Rupestre is our figurative cava, like the cave art of the Mediterranean, declared a World Heritage Site. A representative cava deserves recognition like this: native varieties, organic farming and traditional production. We look for the perfect balance between acidity and aging. It is a cava that invites you to celebrate life, the personification of the sun and the earth, of the breeze and the sea, of passion and tradition.

TASTING NOTE

Bright yellow color with greenish flashes and lively, sparkling bubbles. Very defined aromas of white fruit, green apple, pear or Claudia plum and a certain vegetal character. In the mouth, something more citrusy and with a fresh, balanced and pleasant palate.

Aromas

Varieties: Xarel lo, Macabeo and Parelada

Aging: from 15 to 27 months

Production: 50,000 bottles per year
