KAMENIS LTD.
("KAMENIS")
MINIMUM ADVERTISED PRICE POLICY

Effective 01/02/2017

Preamble:

Kamedis has been building a brand of strong recognition and a high perceived value for the last decade. We recognize that our success is tied to the success of our authorized resellers, many of whom invest significant time and resources in promoting Kamedis' products. We want to protect their ability to do so, and create a fair marketplace for them, while at the same time discouraging price-based advertising that would be detrimental to our resellers' services and to the goodwill of Kamedis and its products.

As a result, Kamedis has unilaterally established and adopted this Minimum Advertised Price Policy ("MAP" or the "Policy") in connection with sales of its products. KAMENIS is not seeking agreement from any reseller to adhere to this MAP policy.

This Policy is non-negotiable and will not be modified for any reseller. The Policy may be changed from time to time at Kamedis' sole discretion.

Please see FAQs for more information about this policy and its enforcement, attached or at www.kamedis-usa.com

All questions related to this MAP Policy should be directed to Kamedis MAP Administrator at: info@kamedis-usa.com
General:

1. The products covered by this policy are listed in Schedule I, (“Products”). Kamedis may in its sole discretion modify this list from time to time.

2. The MAP Policy applies to sale in all media, platform and form, including but not limited to flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs, mail order catalogues, Internet or similar electronic media, television, radio etc. As far as internet on-line sales are concerned, the MAP Policy applies to any form of internet advertising, including without limitation the authorized reseller’s internet page(s), banners, portal sites, on-line shops, sale on 3rd parties’ sites (eBay, Amazon, Alibaba, etc.) (to the extent approved as set forth below), click-through search engines, whether or not products are sold from those sites, which display an advertisement or link to any Products.

3. The MAP Policy is strictly limited to restrictions on advertisements and is not intended to control, influence, determine or limit in any way the price at which authorized resellers sell or offer to sell Kamedis products to individuals, in-store or over the telephone or otherwise. Resellers are free to determine the resale price.

4. For the avoidance of doubt, it shall not be a violation of this MAP Policy to advertise that a customer may “call for price” or “email for price”, “add to cart to see price,” or to use similar language, so long as no price is actually listed.

5. However, website features such as “click for price”, automated “bounce-back” pricing e-mails, pre-formatted e-mail responses, forms, and automatic price display for any items prior to being placed in a customer’s shopping cart, and other similar features are considered to be “advertising” under, and are governed by, this MAP Policy.

Sale Minimum Advertised Price

1. Kamedis requires its Resellers not to advertise Kamedis' Products by less than 20% off Suggested Retail Pricing (“SRP”), as such SRP is communicated from time to time to at www.kamedis-usa.com (“MAP Price”).

2. From time to time, Kamedis may permit resellers to advertise Products at prices lower than the MAP Prices. Kamedis reserves the right to modify or suspend the MAP Price with respect to the affected products for a specified period of time by providing advance notice of such changes to all its resellers.

3. An Advertisement that Bundles (as defined below) or includes free or discounted Products will be considered in violation of the Policy if it has the effect of representing an advertised price of the applicable bundled Product, which is below the MAP Price. Items such as gift cards, coupons, points, or other incentives with the similar effect of representing an advertised price of the applicable Product, which is below the MAP Price; any other activity that Kamedis determines, in its sole discretion, is designed or intended to circumvent the intent of this MAP Policy, such as solicitations for ‘group purchases’ and the like – shall also be deemed in violation of this MAP Policy.

"Bundling" shall mean offering to sell and advertising Products for sale together with other products.
Additional Guidelines

1. Resellers may not Bundle a Product with (i) products that violate Kamedis’ intellectual property rights; (ii) products which include indications (including packaging, graphics etc.) that may confuse customers as to the source of such products.

2. Sale of Products has to be compliant with Kamedis’ trademarks policy, which can be found at info@kamedis-usa.com
