### TASTING NOTES

This wine presents a brilliant yellow hue. The delicate lemony nose is complemented by notes of boxwood. The palate is in keeping with the nose, showing a lovely lively acidity that sets off the notes of fresh, pear-like fruit.

Pair with bottarga, grilled fish or sea bream with fennel and Château d'Estoublon's olive oil.

### 2020 VINTAGE

The spring of 2020 was marked by frost. The weather improved over the following weeks allowing the vine to develop in a healthy condition. Flowering took place without coulure (failure of the fruit to set) or millerandage (shot berries) and was followed by a hot, dry summer. This dry period impacted the yield, but the quality was outstanding with lovely aromatic expressions.
