TASTING NOTES

The wine presents light peony tones. The nose evokes aromas of grenadine, ripe fruit and wild strawberries. The wine is round and light on entry to the palate, which is underpinned by acidity and woven with peachy aromas.

Pair with a fresh octopus salad, beef carpaccio or some creamy Pugliese burrata with confit tomatoes.

2020 VINTAGE

The spring of 2020 was marked by frost. The weather improved over the following weeks allowing the vine to develop in a healthy condition. Flowering took place without coulure (failure of the fruit to set) or millerandage (shot berries) and was followed by a hot, dry summer. This dry period impacted the yield, but the quality was outstanding with lovely aromatic expressions.
