Pair with duck breast or pasta with a puttanesca sauce.

2020 VINTAGE

The spring of 2020 was marked by frost. The weather improved over the following weeks allowing the vine to develop in a healthy condition. Flowering took place without coulure (failure of the fruit to set) or millerandage (shot berries) and was followed by a hot, dry summer. This dry period impacted the yield, but the quality was outstanding with lovely aromatic expressions.
