

Montessori Style Activities for April and Spring

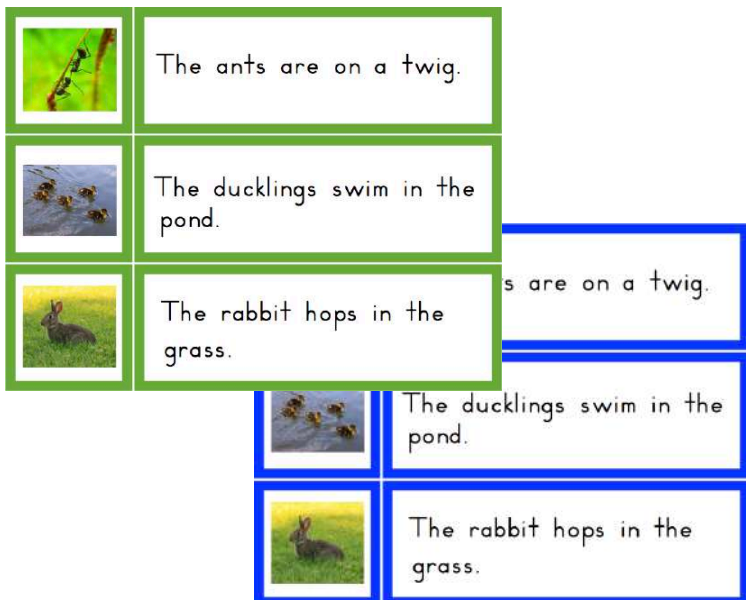

Phonetic Reading CVC 3 part Cards

Laminate and cut the cards as shown. Line up the picture-only cards. Read the word labels and match to the picture. Use the Picture+Word cards to check work.

These cards come with a green border to coordinate with your seasonal work, and a pink border to coordinate with your Pink Series Reading work if you use that color scheme.

Phonetic Reading Sentences

Cut the cards apart. Students can read the sentence strip and find the correct picture. These sentences are phonetically decodable. They contain blends and the sight words “the” “have” “are”.

Add a color coding dot on the back as a control of error if desired. A set with blue borders is also provided to coordinate with your pink-blue-green reading series. You do not need to print both sets.

Sorting Living and Non-Living

Compare living and non-living things. Sort the cards into two rows or columns

Sorting Plants and Animals

Compare plants and animals. Sort the cards into two rows or columns.

Initial Sound Sorting

Laminate and cut cards. Use these cards with letters from the Movable Alphabet or Magnetic Letters. Printable letters are also provided if you prefer those.

Match the initial sound of each photo card to a letter.

Number Cards

Use these 0-10 number cards for a variety of counting activities. Our favorite use is to put them with the Montessori Numbers and Counters work. Blank cards are also provided if you would like to use them for another activity.

Spring Rhyming Pictures

Laminate and cut cards. Lay out the mats and find the matching rhyming cards. Place below on the mat.

Three mats are provided.

Spring Go-Togethers

Laminate and cut the cards. Line up the cards with the green glow border along the top edge of the rug or table. Pick up a random card with a purple glow border and find the card it goes with.

Question Game

Laminate and cut the cards. Distribute the pictures among a small group of children. Name each picture and talk about it together. Draw a question card and let the children use the clues to identify the correct picture.

Close-Up Matching

Laminate and cut the cards. This is a slightly advanced matching activity. Line up the picture cards along the top of the rug or table. Pick up a close-up card and see if you can find its match. Place below the picture card.

Emphasize left to right and top-to-bottom formatting when laying out the cards.
