# Candy Shop Middle Vowel Read and Sort

## Contents and Suggestions for Use

Sort pictures by middle vowel. This is a good Phonological Awareness activity for your non-readers.

Read the candy word labels and sort if desired. (Sorting is not difficult since the labels match the candy jar contents. Use the plain labels if you want to make the sorting more challenging.)

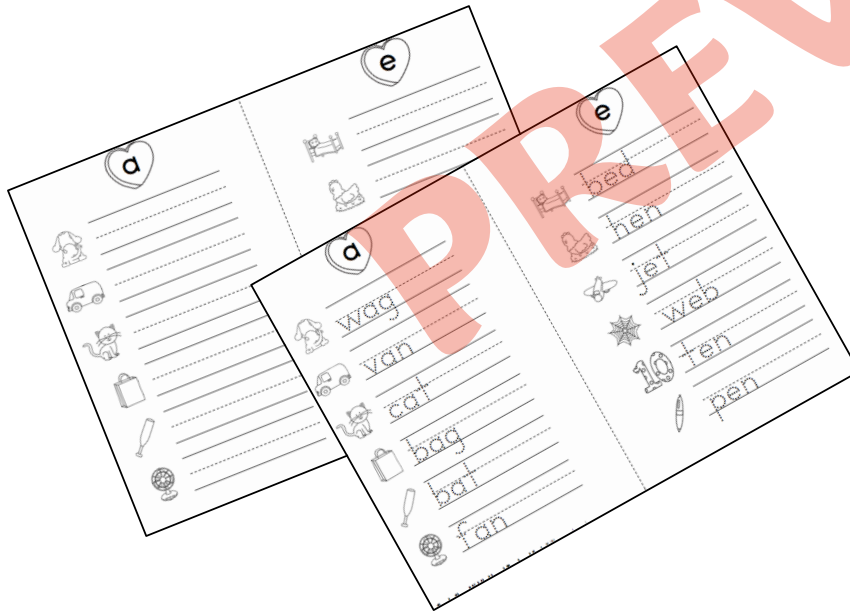

wag	bed	dig
van	hen	pig
bat	jet	zip
bag	web	pin
cat	ten	lip
fan	pen	sit

Use these plain labels for reading and sorting. These provide more of a challenge than the candy labels.

cat

Read the label and match to the picture. You may want to put color-coding dots on the back to provide a control of error for the child.

Use the recording sheets to make a booklet if desired.

## Thank you for your purchase!

If you are unhappy with anything, please email me at [TPT@trilliummontessori.org](mailto:TPT@trilliummontessori.org) and I will do my best to make things right.

If you find this product useful, I would appreciate [feedback](#) and a rating. Follow me on [Teachers Pay Teachers](#) to be the first to hear about new products. (I post freebies more often than paid products!)
