BLUE SHIMMERING WATERS.....GREY PUFFY CLOUDS

AZORES IS CHARMING ON ITS OWN, OR SET WITH THE MANY COLORS OF CANTARIA.

Azores, our new hand painted line, reminds us of the beautiful shimmering lagoons, and breathtaking waterfalls found on the magnificent Portugal islands of Azores. Artists carefully hand paint the borders of each plate using a matte glaze for Blue Lagoon and a beautiful light grey for Greige Shimmer. We have added coordinating striped salads and mugs to complete this beautiful line. Freezer, oven, microwave and dishwasher safe. New for fall 2021 is a Large Oval Platter and a Large Serving Bowl (not pictured).

# Historia

## HISTORICAL ARTISTIC DESIGNS

WHETHER THE SETTING IS A CASUAL DINNER ON THE PATIO, OR A FORMAL SEATED WEDDING FOR 200, HISTORIA IS AN EXQUISITE COLLECTION FOR YOUR TABLE.

The inspiration behind the Historia Collection are the exquisite ornamental iron works that grace the palatial gates, and magnificent fence and railings found in Europe. From simple to elaborate, these artistic designs are fascinating. We wanted to add a piece of this history to our dinnerware. Each salad plate represents architecturally inspired iron works found in some of Europe's most beautiful cities; Lisbon, Versailles, Milan and Vienna. The salad plates are sold in sets of 4 different designs. We also offer a simple salad plate design with a beautiful pebble edge. Historia is extremely chip resistant, oven, freezer, microwave and dishwasher safe.

# Linho Collection

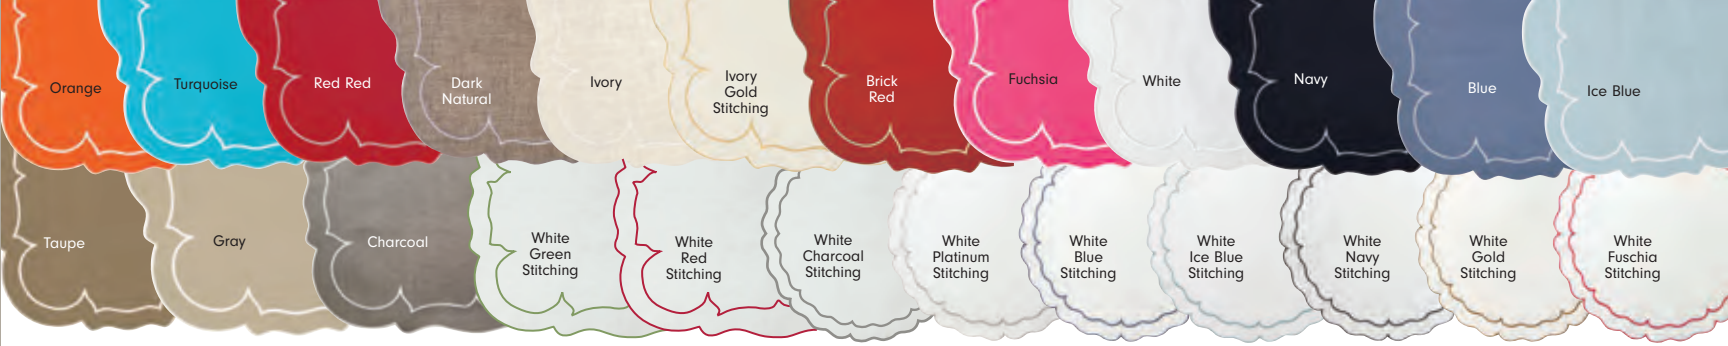

## EXQUISITE PORTUGUESE LINEN

OUR LINHO COLLECTION IS A STUNNING LINE OF EASY CARE PLACEMATS, RUNNERS, COASTERS AND NAPKINS.

The Linho Collection is Made in Portugal of 100% pure linen and treated with a light acrylic coating. A beautiful double embroidered border follows the lines of the sophisticated and fabulous shapes. Linho linens are a dining essential as they are the perfect complement to any table setting, from casual to the most formal. Caring for the Linho Collection mats, runners, and coasters is quite easy. Simply wipe a spill clean with a damp cloth! It's just that effortless, as the Linho Collection extremely stain resistant. Should heavier spills occur, machine wash on a gentle cycle, air dry and press on the reverse side. Linho mats, runners and coasters are designed to add a beautiful monogram, either at the top or center, but are just as exquisite without one. When monogramming, rayon embroidery thread is recommended to resist shrinkage when laundered. Note that shrinkage of about 3% is normal after the first laundering. Linho 100% cotton napkins are a perfect match for the beautiful colors of our placemats and runners. Machine wash and tumble dry. Perfect for everyday use.
