

## Cleaning Instructions

### Baby Soothe Massager:

- The Baby Soothe Massager can be wiped with a damp cloth.
- Do not immerse in liquid. Note: If the unit is accidentally immersed and water gets inside, remove batteries, allow unit to dry completely, then wipe with a dry cloth before next use.

### Baby Band:

- Hand or machine wash cold and air dry only.
- Do not dry clean, do not bleach, do not tumble dry.

### One Year Limited Warranty

Baby Brezza Enterprises LLC (Baby Brezza) warrants to original end-users of Baby Brezza products that these products will be free from defects in material and workmanship, under normal use, for one year from the date of purchase by the original end-user. At its option, Baby Brezza will repair or replace any Baby Brezza product which fails to conform with this warranty. This warranty does not cover damage caused by (a) the failure to follow Baby Brezza's instructions or warnings when using or storing the product, nor (b) misuse or accident, or otherwise, including in cases of third party actions and force majeure. In no event shall Baby Brezza be liable for incidental or consequential damages.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty is in lieu of all other warranties, expressed or implied, and is the sole remedy with respect to product defects. This warranty gives specific legal rights, and you may also have other rights which vary from state to state.

### Customer Service

If you are experiencing problems with your Baby Brezza product, please call our Customer Service department at 1-888-396-6552 ( Mon-Fri 9am-10pm EST) or email before returning the product so that we can offer you our best service customized to your particular situation.

## Installing and Replacing the Batteries:

- 1) Using a Phillips head screwdriver, loosen the battery cover screw on the Baby Soothe Massager. Remove the battery cover, install new batteries or remove the exhausted batteries and dispose of them safely.
- 2) Insert 2 new AA batteries inside the battery compartment. Follow battery direction symbol for proper installation. (Compatible with rechargeable or disposable batteries).
- 3) Replace the battery cover and tighten the battery cover screw.

**Failure to follow these warnings and product instructions could result in serious injury or death.**

**Always follow the warnings and instructions that are provided with your batteries.**

- Choking Hazard – Batteries are small parts that present a choking hazard for children under 3 years of age.
  - Always keep batteries away from children.
  - Securely close battery cover with screw to prevent access to batteries.
- When using batteries with this product:
  - Do not mix old and new batteries.
  - Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium, lithium-ion) batteries.
- Batteries may leak fluid that can cause a chemical burn injury or ruin your product.
  - Remove batteries before putting the Baby Soothe Massager into storage for a prolonged period of time.
  - Always remove exhausted batteries from the product.
  - Dispose of batteries properly.
  - Use caution when opening the battery compartment as some batteries may leak, explode or catch on fire.
- Rechargeable batteries
  - Rechargeable batteries must be removed from the Baby Soothe Massager before being charged.
  - Always follow the manufacturer's instructions when recharging.

## Using the Baby Soothe Massager:

- To turn on, press the large button once. The LED will turn on and the massage wheels will rotate.
- To turn off, press the large button once. The LED will turn off and the massage wheels will stop.
- The massager has an automatic 10 minute auto shut-off.
- Make sure the massagers are facing your baby during use.
- We recommend using the massager on your baby's belly or back.

## Using the Baby Band:

- The band is optional to use, but helps keep the massager in place on your baby.
- The band wraps around your baby's abdomen/back and attaches easily with hook and loop fasteners.
- You can place the band so the large pocket which holds the massager is located on top of your baby's belly or back.
- Once the band is attached, place the massager in the pocket. Make sure the massagers are facing your baby.
