

Transmitter Cell Phone

*Cell phone not included

Features/Benefits

- > Signals incoming cell phone alerts
- > Works with all Medallion™ Series Receivers
- > Operates with technology designed for apartments, condominiums, dormitories, hotels and public housing to ensure you never get false alarms from neighbors using other RF-based products; also ideal for use in single-family homes
- > Simply lay the disc on the cell phone to monitor incoming alerts
- > Operates on two (2) AA batteries (included)
- > Includes a low-battery indicator light
- > Features the Silent Call 5-Year Limited Warranty

Gain an alert when family members, friends or others call you.

The Medallion™ Series Cell Phone Transmitter notifies you to any incoming cell phone alerts by sending a signal to any Medallion™ Series Receiver whenever it detects a vibration from your cell phone. Easy to install and connects in seconds. It is powered by two AA batteries.

Specifications

Power: Two (2) AA batteries (included)

Range: Up to 500 feet, depending on conditions or receiver used

30-Day Return Policy If Not Completely Satisfied

5-Year Limited Warranty: This Silent Call product is warranted to be free of defects in material or workmanship for five years from the date of initial purchase. During that time, the unit will be repaired or replaced free of charge (three- to five-day turnaround) when shipped prepaid in original packaging to Silent Call Communications. This warranty is void if the defect is caused by customer abuse or neglect.
