

Transmitter Telephone/ TTY/VCO

Gain an alert when family members, friends or others call you.

The Medallion™ Series Telephone Transmitter notifies you to voice, TTY or VCO phone calls by sending a signal to any Medallion™ Series Receiver whenever it detects a ring tone. Easy to install, it connects in seconds to the phone jack of any standard analog phone line. It is powered by two AA batteries.

Features/Benefits

- > Signals incoming telephone, TTY or VCO calls
- > Works with all Medallion™ Series Receivers
- > Operates with million-code technology designed for apartments, condominiums, dormitories, hotels and public housing to ensure you never get fault alarms from neighbors using other RF-based products; also ideal for use in single-family homes
- > Connects to the phone jack of any standard analog phone line
- > Operates on two (2) AA batteries (included)
- > Includes a low-battery indicator light
- > Features the Silent Call 5-Year Limited Warranty

Specifications

Power: Two (2) AA batteries (included)

Range: Up to 500 feet, depending on conditions or receiver used

30-Day Return Policy If Not Completely Satisfied

5-Year Limited Warranty: This Silent Call product is warranted to be free of defects in material or workmanship for five years from the date of initial purchase. During that time, the unit will be repaired or replaced free of charge (three- to five-day turnaround) when shipped prepaid in original packaging to Silent Call Communications. This warranty is void if the defect is caused by customer abuse or neglect.
