# CHANGE THE GAME WITH THE ORIGINAL SOFT TOUCH® BASES

## ALL ABOUT SAFETY

Reduce injury and play it safe. Our Soft Touch® progressive release bases are designed to yield when a player slides in and pop off when a certain level of force is exerted.

## MADE IN AMERICA

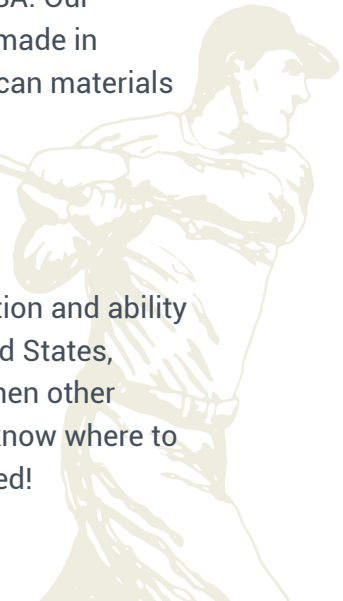

Made and manufactured in the USA. Our polyurethane, no-filler bases are made in Waukesha, Wisconsin with American materials for a truly American base.

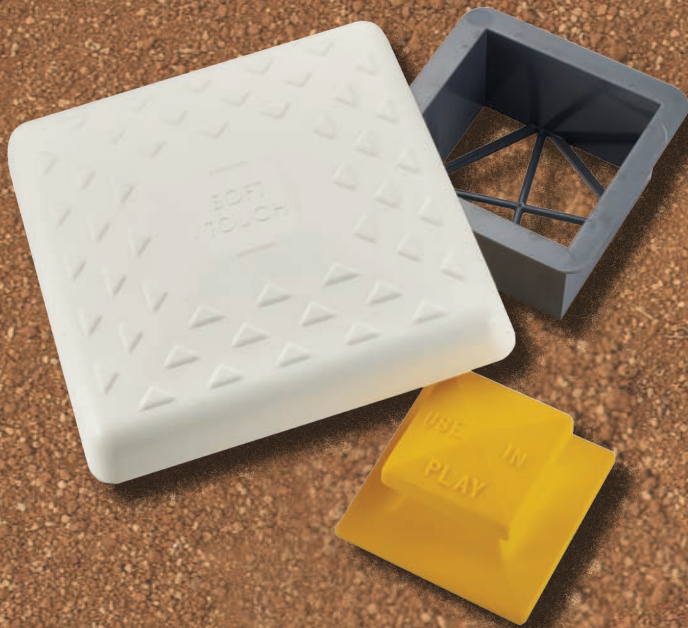

## READY & IN STOCK

Because of their unique composition and ability to be made right here in the United States, our bases are always in stock. When other manufacturers are sold out, you know where to turn — we've got the bases covered!

AND... SAFE! PLAY HARD  
WITH SOFT TOUCH® BASES
