# BESPOKE DESIGNS

We have worked closely with numerous corporations, helping them to craft their festive message. We can either personalise our offer to match the branding of your company or create an original, tailored design.

## EXAMPLES OF OUR BESPOKE WORK:

We refined one of our existing card designs to incorporate seamlessly Costa's coffee bean logo. We made sure that the colour of the paper matches Costa's corporate colours.

For Alstom, the world's leading energy company, we designed a card that blends the typography of the letter 'o' from the logo with the traditional image of Christmas tree.

Companies we have worked with:

Mercedes-Benz

**BOSCH**

*Coutts* | 

**SIEMENS**

**Skadden**
