

Fisher™ Obsolete Products Including Valves, Actuators, Accessories, Instruments, and Regulators

Obsolete products may not be manufactured again in any Emerson location under any conditions. Recommended spare parts availability is guaranteed for 10 years after the last production on manufactured trim replacement parts and 5 years of best effort on die cast parts, elastomers, buyout components, and electronic components.

Should you need price and delivery for parts on any of these obsolete or inactive product lines listed, contact your [Emerson sales office](#).
