

Product Number Identification Legend

For actuator identification only. To select product numbers for ordering, see Tables 1 & 2

SQM4 0 . 2 6 1 A 1 0 SC

Basic Type
 counterclockwise
 clockwise

Torque (Time)
 45 in-lb (12 sec)
 90 in-lb (25 sec)

PCB type/ Switches
 3 switches, modulating version
 6 switches, position proportional control
 5 switches, position proportional control + relay

Shaft
 10 mm woodruff
 HW square type
 10 mm D type
 14 mm parallel key

Regional Versions
 European version, CE
 US version, C-UL-US & CE

Voltage
 120 Vac @ 50-60 Hz
 230 Vac @ 50-60 Hz

Potentiometer
 None
 Single, 1000 Ohms 90°
 Double, 2*1000 Ohms 90°

NOTE: Not all possible combinations are available
