

Model:
 NT5-HC

Back Bar Bottle Cooler
 Slimline, full height bottle cooler

General Information

The Prodis NT5-HC is part of the best selling Prodis NT series back bar cooler range. This cabinet benefits from fan assisted cooling, a +2°C to +10°C temperature range, fully adjustable black shelves, black interior and energy efficient LED lighting. Also as standard the NT5-HC features a self closing, lockable door for added security and an external digital temperature controller and display. As standard the merchandising canopy is fitted with an opaque black insert, a white insert with illumination can be added as an option.
