Our story

Perched on a hillside, surrounded by grapevines and overlooking picturesque Norfolk and Blackman Bays, Bangor Vineyard Shed is a unique and memorable wedding venue. Combining award-winning cool-climate wine, the best Tasmanian produce and the friendliest service, weddings at the Bangor Shed are relaxed, unique and tailored to you.

Bangor is an historic property, a working farm that has been owned and managed by the Dunbabin family since 1890. Passion, attention to detail, and a love of the environment are woven through everything we do; from our award-winning wines and vineyard, to our superfine merino wool, premium lamb, and our nature conservation reserves.

The Shed itself is a beautiful architecturally-designed building, constructed from timbers, stone and convict bricks sourced from Bangor. We are passionate about this special place and would love to share it with you on your special day.

We welcome you to Bangor Shed and look forward to working with you to create a unique wedding celebration full of joy, festivities and love.

Your Tasmanian food and wine experience

At Bangor we are passionate about working with premium Tasmanian produce. We follow a paddock-to-plate philosophy, utilising lamb from the Bangor property, local seafood, and the freshest local vegetables and herbs. Head Chef Skye Gamlin and team are focussed on delivering you an outstanding Tasmanian food experience.

Bangor has its very own 8-hectare vineyard, producing award-winning premium hand-picked Tasmanian wine. You can select from the Bangor range of wines, along with local craft beers, cider, and Tasmanian soft drinks.

Our professional and dedicated team will work with you to ensure your special day is one you and your guests will remember fondly forever.

Standing reception

Perfect for the bride and groom who want to mingle all night with their guests, our Roaming Menu is both sumptuous and rustic. Your guests will enjoy a range of canapés throughout the evening on our lawns, deck and inside the Shed; with ample seating provided throughout. Bangor Vineyard Shed can cater for up to 140 standing guests.

Seated reception

For a more formal setting, this menu is presented on platters and stunning long tables, with slow cooked Bangor lamb as the star of the show. This menu begins with canapés on the lawns, with your

guests joining you, and the love of your life, inside stunning Bangor Shed for the remaining courses. We can cater for up to 90 seated guests and have flexible options for dancefloors and desserts; so that you can have both your formal setting, and be able to dance long into the evening.
