## Captain Spotswood The Story

---

In the 1830's, Captain John Spotswood held the first land grant at Bangor, including the site where our vineyard now stands. Early accounts record that he rather enjoyed a drink, and we expect that he would have fancied a glass of this Pinot Noir named in his honour!

Captain John Spotswood served in the British army in India. Following his retirement, he ran a small farm, growing crops and livestock on the 90 acre land grant he selected. His wooden cottage, built in 1833, stood opposite our vineyard until the 2013 bushfire when it was unfortunately lost. However, we were able to salvage the convict bricks from his chimneys and re-lay them as the hearth in The Shed, keeping a small part of his story with us.
