

Bangor

VINEYARD SHED

Bangor Shed is an award-winning cellar door and restaurant brimming with cool climate Bangor wines and local produce.

At a latitude of 42°53' south, Bangor's vineyard is one of the most southerly in Tasmania, and the world. This makes it a true cool climate site, and we manage our vineyard to produce premium quality, cool climate wine.

We would love to hear your feedback so please send us your review on Tripadvisor or any of your other favourite review sites. Share us on social media: #bangorshed @bangorshed

 - Wine suggestion

Split payments available – please ask for bill

10% surcharge on public holidays. Excludes take-away wine & retail.

BANGOR WINE

Bangor's Jimmy's Hill Pinot Gris (2018)

With a lovely honey colour in the glass, this Pinot Gris has a full, round and silky feel in the mouth. The mild 2018 season packed the fruit with lovely full flavours & aromas, including apple, pear and grapefruit. This is a truly delightful Gris that can be enjoyed on its own & pairs perfectly with the mussels, abalone, cheese platter, & our fresh oysters. *Bronze Medal, 29th Tasmanian Wine Show.*

Bangor's Maria Rosé (2018)

Crafted from 100% Pinot Noir grapes, Bangor's Maria Rosé is all about summer and good times. A bright and refreshing wine, Maria Rosé has a palate of mouth-watering summer berries, with exquisite strawberry, rhubarb and floral notes, complemented by a soft, creamy texture. *Gold medal, 29th Tasmanian Wine Show.*

Bangor's 1830 Chardonnay (2017)

A beautiful Tasmanian cool climate Chardonnay, our 1830 Chardonnay is a traditionally made, displaying a complex blend of vibrant citrus characteristics & classic stone fruit flavours, lovely natural acidity, & sweet vanilla & spices from the judicious use of French oak. Aged for 11 months in barrel, using a combination of new and old oak.

Bangor's Lagoon Bay Riesling (2018)

A good food wine, this is a perfect example of how well the Tasmanian growing conditions suit this noble grape. The moderate growing season produced bright acids, and beautifully developed fruit flavours, making this a very enjoyable Riesling that is aromatic and fruity in style, complemented by delicate floral notes. Lagoon Bay Riesling pairs well with seafood, white meats, cheese and salads. *Silver medal, 18th Canberra International Riesling Challenge. Bronze Medal, 28th Tasmanian Wine Show. Bronze Medal, 43rd Royal Hobart Wine Show.*

Bangor's Captain Spotswood Pinot Noir (2018)

This Pinot has been gently aged in old oak, softening the wine while maintaining its bright red fruit characteristics. Red cherry, raspberry, strawberry, plum and black current characters tantalise on the nose and provide a rewarding Pinot experience on the palate. Captain Spotswood is all about fun times with friends and family. This Pinot can be enjoyed all year round, and paired with a wide range of food from cheese to seafood, lamb, beef and game meats.

Bangor's Abel Tasman Pinot Noir (2016)

Our flagship wine, Bangor's Abel Tasman is showing plenty of character, with complex red and black fruit flavours and a high level of natural acidity that keeps the wine mouth-watering and bright. The judicious use of new and old barrels adds a delicate hint of vanilla, spice and texture, that in balance with the fruit flavours makes this a classic cellaring wine. It will continue to reward over the next 10 years. *Silver medal, 29th Tasmanian Wine Show.*

Bangor Vintage Sparkling (2014)

A stunning Tassie bubbles, Bangor Sparkling is a classic blend of cool climate Pinot Noir & Chardonnay. With a subtle strawberry note, a hint of lemon, beautiful toasty characters from more than 6 years on lees, balanced with refreshing acidity, this is the perfect bubbly for any celebration large or small! *Gold medal, 2019 Tasmanian Wine Show.*

OUR STORY

THE BANGOR WAY

Bangor is a 6,200 hectare property that was farmed as early as the 1830's for supplying beef to the Port Arthur Settlement, and has been cared for by the Dunbabin family since the 1890's. With over 5,100 hectares of native forests and wetlands, 35 kilometers of coastline and 2,100 hectares of private conservation reserve, caring for the environment is our way of life here at Bangor.

This extends into everything we do in our 4 hectare vineyard. All of our vines are hand-tended, and our grapes hand-picked. At vintage you will find three generations of the Dunbabin family working side by side. Our site has well drained clay-loam soil over ancient dolerite rock, which combined with a northerly aspect, provides perfect growing conditions for premium quality Tasmanian wine.

At a latitude of 42°53' south, Bangor's vineyard is one of the most southerly in Tasmania, and the world. This makes it a true cool climate site, and we manage our vineyard to produce premium quality, cool climate wine. We planted our first 3 hectares in 2010, and our fourth hectare in 2014.

We grow Pinot Noir, Pinot Gris and Chardonnay, grape varieties that are well suited to our cool climate site. More than likely you'll come across a sixth-generation Dunbabin while you're here!

The Stories Behind the Wine Labels

The Bangor farming property has been in the Dunbabin family since the 1890's, and farming activity on the property dates back to the early days of the colony. Each of our wines have been named after a piece of history on the property, and tell a small story about the early days of Van Diemen's Land and earlier.

Jimmy's Hill Pinot Gris

Rising a commanding 1002 ft, Jimmy's Hill is Bangor's highest point and one of Tasmania's convict era semaphore stations. With a simple hut for shelter, Jimmy, the rugged bushman who called the remote outpost home, maintained a vigilant eye on adjacent stations, standing by to relay messages.

Back in the early days of the colony there was a network of semaphore stations around both the Forestier and Tasman Peninsulas, and between Port Arthur and Hobart Town. They were used for relaying messages around the colony (the email/text messaging system of the day), and they could relay a message from Port Arthur to Hobart Town in just 15 minutes. Jimmy ran the semaphore station here at Bangor, so the hill became locally known as Jimmy's Hill, as it is still known today.

1830 Chardonnay

In 1830 John Dunbabin, convicted of horse stealing, was transported to Van Diemen's Land. Having narrowly escaped the hangman's noose, he was determined to make the most of his opportunities. Through sheer hard work, John earned his freedom and bought his own land, paving the way for five generations of farming at Bangor.

John Dunbabin is where the family's long farming legacy first began. Transported to Tasmania at the age of 23 as a convict, John was hard working and determined. He earned his freedom and bought the first parcels of land for his own farm in Bream Creek in 1856, paving the way for 7 generations of family farming in Tasmania. John's sons bought the first parcels of land at the Bangor property in 1890. Bangor remains a family farm, managed today by Matt and Vanessa Dunbabin, along with their three young children Henry, William and Amy.

Maria Pinot Rosé

Maria Island dominates the seascape to the north of Bangor, and is a special place for the Dunbabin family. In 1869 Tom Dunbabin with his brother John, leased the island where he farmed for seven years, honing the skills that would lead to his purchase of Bangor in 1890, where his descendants still farm today.

Maria Island is now a National Park, but was for over 150 years farmed, and the Dunbabins were among the earliest. In 1869 brothers Tom and John Dunbabin from Bream Creek took up the challenge of farming Maria Island, a former penal settlement off the east coast of Tasmania. Married to sisters Sarah and Mary Murdoch from Cambridge, they spent seven years raising their young families and building their future on this remote island outpost. Maria Island overlooks Bangor, holding a special place in the hearts of over five generations of the Dunbabin family.

Captain Spotswood Pinot Noir

In the 1830's, Captain John Spotswood held the first land grant at Bangor, including the site where our vineyard now stands. Early accounts record that he rather enjoyed a drink, and we expect that he would have fancied a glass of this Pinot Noir named in his honour!

In the 1830's, Captain John Spotswood held the first land grant at Bangor, including the site where our vineyard now stands. He ran a small farm, growing crops and livestock. His wooden cottage stood opposite the vineyard until the 2013 bushfire when it was unfortunately lost, but we were able to salvage the convict bricks from his chimneys and re-lay them as the hearth in The Shed, keeping a small part of him with us.

Abel Tasman Pinot Noir

Tasman Bay, on Bangor's northern coastline, is the site where Abel Tasman planted the Dutch flag on December 3rd, 1642. We have named this wine in honour of Abel Tasman and the beautiful island that would come to bear his name.

Bangor has a close connection to Abel Tasman. Abel Tasman's expedition, with the ships Heemskirk and Zeehaen, were the first Europeans to visit Tasmania, sighting the west coast November 24, 1642. They followed the coast eastward and attempted to anchor in Storm Bay, but bad weather forced them on. They continued on around the Tasman Peninsula and into North Bay, anchoring north-west of Cape Frederick Hendrick (the northern shores of what today is Bangor) on the 1st of December.

They were relieved to have finally found a good harbour, with Tasman's journal recording "therefore we are thankful to Almighty God with grateful hearts". During the three days they remained at anchor, members of the crew, led by Pilot-Major Francois Jacobsz Visscher searched the shoreline for fresh water and edible plants, finding little of either. They saw smoke and signs of human habitation, but did not make any contact with Aboriginal people. On December 3rd, the ship's carpenter Pieter Jacobsz hoisted the Dutch flag on Bangor's shore in Tasman Bay, before the expedition sailed north, naming Maria and Schouten Islands, then heading eastward towards New Zealand. The shores of the Forestier Peninsula were the only place that Tasman landed during his entire 1642 voyage.

The Dunbabin family manage Tasman Bay for its cultural and natural heritage. The area is protected as part of Bangor's 2000 hectare network of conservation reserves. Today, the shoreline of Bangor remains largely unchanged, and looks very similar to that explored by Tasman in 1642.

Bangor Wine Club

Join Bangor's Wine Club today for free delivery to your door of our current selection of award-winning wines, plus exclusive access to our cellared wines. You will receive pre-release offers and invites to exclusive member-only events.

One Wine Club, Two Tiers:

1830 Tier

- Order 2 x 12 bottle cases per year. Wines posted Jun & Dec each year
- 5% discount on all wines purchased through the wine club, online store & takeaway.
- 5% discount on meals and drink-in wine at Bangor Shed.

1642 Tier

- Order 4 x 12 bottle cases per year. Wines posted Mar, June, Spet & Dec each year.
- 15% discount on all wine purchased through the wine club, online store and takeaway
- 15% discount on meals and drink-in wine at Bangor Shed.
- One free wine tasting and walk through the vines experience with vigneron Matt Dunbabin each year. By appointment.

Other benefits of the Bangor Wine Club:

- Free postage Australia-wide (6 bottles and over).
- Members-only access to our rare museum stock of wine.
- Exclusive pre-release offers.
- Access to Bangor Wine Club Cottage for staying at Bangor. Min 2-night stay, book online.
- Free access to the Bangor property for self-guided day walks to the Tasman Monument, Jimmy's Hill, Lagoon Bay and Cape Frederick Hendrick. By appointment.
