

MAHALO FOR CHOOSING KAIKINI BIKINIS

Try Me On!

Name: _____ Order #: _____

Our kinis provide a snug fit and will slightly loosen over time, but with good after care they will maintain their shape for years.

- Keep your undies on while trying on bottoms
- Take note of any areas that are "pinched". Snug is good, pinching is not!
- Are you in? You should feel secure in your suit. Your bits and bumps should not be falling out!
- Is your One Piece too low in front? Try pulling the back of the suit down and through your legs towards the front. Sometimes it just needs to be positioned differently ;)

Still not quite right? No problem!
 As long as you meet our Exchange Conditions, we'll get you taken care of!
