Kidz That Move is excited to partner with **Fernwood Ryde** in 2017 and we would like to invite your child to be part of our 10 week program. Kidz That Move is a revolutionary multi-sport program providing children with skills for life! Basketball, Soccer, Rugby, Netball, Cricket, and Athletics are just some of the sports we have on offer.

Each of our programs are run by highly educated coaches and are designed to achieve:

- *Games and Sports Specific Skills* – improve locomotor, non-locomotor and manipulative skills through a range of games and sports that are modified and engaging.
- *Preparation for school* – our holistic approach is designed to develop children's physical, social and emotional wellbeing. Designing the program in this way, enables each child to grow and improve skills necessary for the next stage of their lives.
- *Life skills* – children will develop competence and confidence in a range of games and physical activities which will foster positive feelings and be reflected in other areas of their lives.

10 week multi-sport program commencing the 13th of February 2017
